5th October 2018

Dear Parents/Carers

It is a real pleasure to be able to launch the beginnings of the E-ACT Ambassadorial Advisory Group (AAG). You will find attached to this letter the E-ACT 2018-2019 Charter for the AAGs (the document can also be found on <https://www.e-act.org.uk/how-we-work/>). The parental role of a member of the AAG is different from being a school governor, as you will see in the documentation, however it is a powerful and important part of an E-ACT school, where the parental and community voice can be heard.

In the first instance, rather than a selection and/or election process, please simply reply to this letter stating if you are interested in a role as a parent ambassador. From this communication, we can then look at the most efficient system to ensure the parental voice is heard. Please send through your expression of interest to BEAoffice@E-ACT.org.uk, marked for my attention and AAG in the subject line, by the end of school next Friday, 12th October 2018.

I look forward to hearing from you over the next weeks. Thank you.

Best wishes

Ryan Williams
